INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE STATE BUREAU OF MOTOR VEHICLES COMMISSION

We have examined the Schedule of Collections and Distributions of the State Bureau of Motor Vehicles Commission License Branch Number 117 (Branch) for the period of January 1, 2004 to December 31, 2004. The Branch's management is responsible for the schedule. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the Schedule of Collections and Distributions and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedule referred to above presents fairly, in all material respects, the cash transactions of the Branch for the year ended December 31, 2004, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

NOTES TO SCHEDULE OF COLLECTIONS AND DISTRIBUTIONS

Note 1. Introduction

The Motor Vehicles Commission was created to manage the motor vehicle license branches. The Bureau of Motor Vehicles is a separate state agency which provides support services to the Commission controlled license branches. The license branches collect fees which fund the Motor Vehicles Commission. The license branches collect and forward county taxes (excise tax, wheel tax, and surtax) and state fees. The Commission has one contractual branch that is administered by an individual contractor according to Bureau policies. The Commission has developed a mobile license branch to serve the need of CDL license issuance and other special needs as they arise.

Note 2. Collections and Distributions

Each branch collects fees and taxes when vehicle and watercraft registrations, titles, and drivers licenses are sold. Fees are uniform throughout the state.

The total daily collections are deposited to a single bank account. From this account the collections are distributed to separate bank accounts which are not controlled by the license branch and belong to the state, county and Bureau of Motor Vehicles Commission.

Note 3. Banking System

The Bureau of Motor Vehicles Commission has entered into an agreement with Bank One for a cash concentration system. The system utilizes a series of individual noninterest bearing accounts (clearing accounts) from which all fees and taxes are transferred.

EXAMINATION RESULT AND COMMENT

YEAR END INVENTORY

The Branch personnel took an inventory at the end of 2004. In January 2005, we tested the accuracy of this inventory. Several items were located at that time which had not been included in the inventory. When comparing the year end inventory to the Open Inventory Report, we noted that several items had not been included in the year end inventory.

Prior to year end, detailed inventory instructions were developed and distributed to each branch by Audit Services. They included a listing of accountable items along with sample forms and examples. (Letter dated December 1, 2004, from the BMV Audit Services Director)
